OUR LEGACY

DC Kizhakemuri

Recipient of Padma Bhushan & Tamara Pathra

DC Kizhakemuri was a teacher, social activist, freedom fighter, writer and publisher. A Padma Bhushan awardee, he was the first columnist in Malayalam. DC Kizhakemuri pioneered the paperback revolution in the country, and became a model across the nation in bringing books to the masses. His passion for books was instrumental in the birth of major literary institutions in India. Kottayam became the first 100% literate district in the country under his leadership. A visionary thinker, writer and publisher left an indelible mark on the modern literary history of Kerala.

DC Kizhakemuri Foundation

DC Kizhakemuri Foundation (DCKF) is a Society registered under the Travancore-Cochin Literary, Scientific and Charitable Societies Registration Act, 1955. The Foundation nurtures DC Kizhakemuri's vision of strengthening the nation by continuing to contribute towards the enlightenment of the society. This includes the award for the best rural library, organizing Kerala Literature Festival, Asia's second largest literary festival, Kerala Architecture Festival – SPACES. The Foundation aims to emulate what DC Kizhakemuri did in his lifetime - enrich the world of letters and fine art and foster socio-economic growth.

DC Kizhakemuri Foundation

DC Books (Est. 1974) is among the top 10 publishers in India and the first ISO Certified Publisher in the country. Founded by the Late DC Kizhakemuri, DC Books publishes over 1500 titles every year and retains a lion's share of intellectual property as well as content suited for the Indian market. Current Books, its sister counterpart, is the largest book retail chain in India. DC Books boasts a publishing roster of Nobel Laureates, Pulitzer, Jnanpith and Sahitya Academy winners. From leading the paperback revolution in India to launching an ecosystem of e - books and audio books, the publishing house is the pivot around which the readers of the region revolve.

DC Books rooted in creativity and knowledge forays into the education sector. The publishing house invites numerous writers and artists to be a part of a collective hat looks towards molding a generation of citizens that are committed and socially responsible. The DCSMAT Institutions, co-promoted by DC Books is a philanthropic activity to attain the objective.

DC Kizhakemuri with the first Prime Minister of India, Pandit Jawaharlal Nehru

Noted world leader and activist against apartheid Nelson Mandela

DC Kizhakemuri and former Prime Minister, Indira Gandhi

About **DCSMAT** Institutions

**Promoted by DC Kizhakemuri Foundation and
co-promoted by DC Books.**

Dominic Chacko Kizhakemuri (DC) a writer, intellectual, freedom fighter and entrepreneur was the founder of DC Books. DC started his illustrious career as a teacher before entering the publishing business. He has singlehandedly created the biggest revolution in the Indian publishing industry with the formation of DC Books in 1974. Taking forward the keen intellectual pursuits of DC, the institution was set up in 2002 which revolutionized education in Kerala.

DC

School of Management and Technology Institutions

DC School of Management and Technology Institutions is a premium NAAC accredited B School in India. Ranked as the Top B School in Kerala, DCSMAT institutions have been constantly topping the charts and making significant contributions to the corporate world. Established in 2002, DCSMAT is approved by the All India Council for Technical Education (AICTE).

Synonymous to quality education, the institutions offer world class infrastructure and intellectual capital par excellence. DCSMAT facilitates innovation, creativity and strives to impart quality education through holistic learning and inculcating competitive abilities in students.

The highly experienced faculty with insights into current best industry practices not only help students to chart their career path, but also help in positioning their chosen career to attain success.

Message from the dean

DC School is set up with a clear focus on redefining the educational process. Educational philosophy at DC strives towards integrating art, culture and economic life in order to develop the young person to become a complete human being, pursuing success in their chosen vocation. The schools of architecture, art, design and management operate with this philosophy. At DC we believe that education has to be an experience where you live with it rather than struggle through.

The DC Difference

You will be spending some of your prime life here. This time spent at DC will be utilized for ransforming yourself. It will be years of living through leadership practice. The programs will connect you to the real world. Be it architecture, arts or management, you will work in groups, interact with businesses and customers. These years will bring about a personal transformation in you.

You experience learning by practice. Innovation and entrepreneurship are a core value at DC and we try to imbibe this value in every student. DC is a residential community, we live, interact and relate all through the program with peers and faculty.

The academic experience at DC is learning to question which helps you to think differently. Our endeavor in designing our course material is to ensure that you put together theory, practise, experience, talent, network all into focus in our learning experience. Personal leadership is an essential ingredient of your future success, and academic experience provides opportunities for it.

The academic input provides ample opportunities for reflection and reaction. All courses involve small team projects providing practice as well as opportunities for building your

leadership skills. The group projects are also a means of facilitating and practicing teamwork. Interacting with peers and professionals alike deepens the ability to work with different groups and individuals.

The required courses of different programs along with the learning experiences would enable you to have a better focus in identifying your interests and personal career goals. This will help you to choose your optional courses and non - credit courses. Along with the functional skills acquired, and the practice experienced could help you continue with understanding the profession.

We are a developing group of organizations where students can interact with managers, dointernships, industry study, application testing and so on. We need to work out a valueproposition and motivate these organizations.

Our vision is to expand horizons in education. It is based on this vision that we undertake ourmission of educating creators, leaders and thinkers for the future.

Dr. N Ramachandran,

Dean,

Former Professor IIM Kolkata & AIT Bangkok , Thailand.

Clubs

CLUB VISTA

Club Vista, our Entrepreneurship Development Club established in 2008, is dedicated to fostering entrepreneurial skills and boosting confidence among students. Through a range of activities, we emphasize the practical application of classroom knowledge, providing members with hands-on experiences to enhance their understanding of entrepreneurship. From entrepreneurship workshops, Industrial visits & business simulations to BIG FIESTA – DC’s Carnival, it creates a dynamic environment where students can actively engage in the world of entrepreneurship, gaining valuable insights and honing their skills for real-world success.

CLUB MIHIKA

Club Mihika, a vibrant hub at our college, dedicates itself to fostering cultural understanding. Through engaging activities and events, the club provides a platform for students to explore and appreciate the rich tapestry of diverse cultures within our country. Club Mihika helps students to embark on a journey of cultural discovery and create lasting connections with fellow students passionate about embracing diversity.

RADIO DC

Radio DC 90.4 MHz FM, the pioneering private and community FM station in Kerala, stands as a non-profit initiative approved by the Information and Broadcasting Ministry, Government

of India. Operating under DCSMAT, the station passionately engages in socially impactful programming, focusing on areas such as social awareness, literacy, and education. As a trailblazer, Radio DC remains committed to fostering community development through its distinctive broadcasts.

DC THEATRE

DC Theatre at our college cultivates a dynamic cultural milieu, fostering holistic student development through a spectrum of engaging activities. From riveting theatrical productions to interactive workshops, the club provides a platform for creative expression, nurturing both artistic talents and personal growth. DC Theatre helps students to walk through an immersive journey where passion meets performance, contributing to a vibrant and enriching college experience.

KLUB DE SPORTZ

Klub De Sportz spearheads a dynamic sporting culture at our college, fostering active engagement among faculty and students. With a mission to promote a healthy lifestyle, the club organizes a diverse range of sports and activities, providing opportunities for everyone to participate. From friendly matches to intense tournaments, Klub De Sportz creates an inclusive environment that celebrates teamwork, skill development, and physical well-being. It strives to make fitness fun and build lasting connections through the joy of sports.

MAC

The Marketing & Advertising Club (MAC) at our college is dedicated to cultivating marketing skills and promoting innovative strategies among students. Emphasizing creativity and value-based thinking, MAC actively engages in branding ideas and techniques. Notably, the club takes the lead in organizing the intra-college management festival, fostering a dynamic environment for skill development and collaboration. MAC explores the exciting world of marketing and contribute to the creation of impactful campaigns.

CLUB AVVENTURA

Club Avventura offers an adrenaline-packed escape for students through a variety of exhilarating adventure activities. From thrilling hikes to daring rock climbing sessions, the club caters to adventure enthusiasts seeking an adrenaline rush. Club Avventura explores the outdoors, foster teamwork, and create unforgettable memories in the heart of thrilling escapades. It creates chance to make college experience truly adventurous.

DC FINZ CLUB

DC Finz club is a career focused student organization, and our primary goal is to effectively support students pursuing careers in finance. The executive team of the Finance Club aims to educate its members on the multitude of careers in finance, indicate recruiting timelines, expectations, and best practices, and offer a variety of interview preparation resources. Through experienced leadership and the help of the Career Development Center, the Finance Club hopes to create transparency about the recruiting process for all career opportunities in finance and provide direction to its members along the way. The club activities are a blend of academics and entertainments.

CLUB PHOENIX

Club phoenix is the festival club of DC which is providing the students an opportunity for celebrating such festivals. Club Phoenix conducts celebrations such as Diwali and Holi, so that students are able to enjoy and remember such festivals, Moreover, club phoenix conduct second show as a club event. The overall objective of the club is to reduce stress and workload. The opportunity provided is to enjoy the culture and memorable events at college.

Extra Curricular programs

MEDICAL CAMP

In line with our college's mission to foster community engagement and social responsibility, we take great pride in organizing yearly Free Medical Camps. These camps are a testament to our dedication to making healthcare accessible to all, irrespective of socio-economic backgrounds.

Our Free Medical Camps aim to provide vital healthcare services to underserved communities. These camps are staffed by a team of skilled healthcare professionals, including doctors, nurses, and support staff, who volunteer their time and expertise to ensure the well-being of participants.

LIBRARY

Our library boasts a vast collection of academic resources spanning various disciplines, providing students with a rich reservoir of information. With a user-friendly cataloging system, state-of-the-art facilities, and dedicated staff, our library is a haven for research, study, and intellectual exploration. From traditional texts to cutting-edge digital resources, we ensure students have access to diverse learning materials.

BREAKFAST WITH CEO

Breakfast with CEO program—an exclusive initiative designed to bridge the gap between academia and industry. This unique opportunity allows students to engage in candid conversations

with industry leaders over a hearty breakfast. Gain insights into the corporate world, receive valuable career advice, and expand your network, all within an intimate and informal setting

ALUMNI TALKS

Distinguished alumni from various fields shared their professional experiences, shedding light on the challenges they faced and the lessons learned during their post-college journeys. The diverse panel of speakers showcased the versatility of education at DCSMAT in shaping well-rounded individuals ready to excel in a dynamic job market.

The event, held as part of our ongoing efforts to connect current students with accomplished alumni, offers a unique opportunity for career exploration and networking.

CORPORATE TALKS

In a strategic initiative to bridge academia with industry, DCSMAT takes pride in hosting enlightening Corporate Talks as part of its comprehensive placement program. These talks serve as a vital nexus where students engage with seasoned professionals, gaining valuable insights into the dynamic corporate landscape.

EVENING PRESENTATION

Our renowned Evening Presentation (EP) is a series of soft skill development sessions aimed at refining public speaking, presentation, and communication skills. Designed to conquer stage apprehension and enhance microphone management, the program also fosters confidence through audience interaction. With a focus on elevating general awareness, leadership qualities, and analytical skills, EP promises to be a transformative experience for our students. It serves as an opportunity for personal and professional growth.

SOP

our exclusive Student Ownership Program (SOP) is a distinctive mentoring initiative tailored to cultivate essential managerial skills. Embracing a collaborative team approach, this program is dedicated to the holistic personal and professional development of our students. Each faculty member is entrusted with a small student group, guiding them through the enhancement of soft skills such as reading, writing, vocabulary building, and active listening. SOP helps to have a transformative journey towards comprehensive skill mastery.

MARATHON

The annual mini marathon along the picturesque Vagamon Valley, held every year on The International Day of Forests (21st March), underscores our commitment to instilling

global citizenship qualities in students. The marathon not only promotes physical well-being but also emphasizes the urgency to protect our 'natural capital.' The Motto behind the same is – 'run for a greener and sustainable future!'

NSS

The National Service Scheme (NSS) at DCSMAT stands as a beacon for student development. Our NSS unit takes pride in organizing annual 7-day camps, serving as a catalyst for students to actively engage in addressing social issues. With a commitment to holistic development, NSS provides a platform for students to not only contribute to societal welfare but also to raise awareness about pressing social concerns. It paves a road in making a positive impact on the community and nurturing socially responsible leaders!

OBT

Our Outbound Training (OBT) program is a unique experiential learning initiative that takes students beyond the classroom, fostering teamwork, leadership, and personal development. Set against the backdrop of nature, this program provides hands-on challenges, promoting problem-solving skills and enhancing adaptability. Participants engage in activities that encourage collaboration, resilience, and effective communication, preparing them for real-world scenarios. It serves as an unforgettable adventure that transcends traditional learning boundaries.

Trainings

FINE DINING – HOLIDAY INN, COCHIN

An exquisite fine dining session took place at HOLIDAY INN, Cochin on 30 September, 2023. The fine dining session was nothing short of extraordinary. From the moment we entered the premises it felt like we were embraced by an ambiance that radiated sophistication and warmth. The culinary delights and impeccable service were truly memorable. It was a fantastic opportunity for us to savor gourmet cuisine and learn about the finer aspects of dining etiquette. It also helped to gain valuable insights into the world of hospitality, offering us a glimpse into the dedication and professionalism required in this industry. It was an invaluable learning experience that has undoubtedly inspired many of our students.

SOFT SKILLS TRAINING – By Dewakar Basnet

Mr. Dewakar Basnet's Soft Skill Training emphasized the importance of first impressions in professional settings. He highlighted that while your first impression might not be the last, there's no second chance to make it. Mr. Basnet also stressed the significance of professionalism, including behaviors and protocols in diverse professional environments. He emphasized on the importance of soft skills, describing them as the key to building connections and reigning supreme in the professional realm.

JOB ORIENTED TRAINING SESSION - Mr. George Thomas (Life Chefs)

Mr. George Thomas from Life Chefs conducted an insightful Job Oriented Training session. He covered various key aspects to prepare attendees for successful job placement. The session included tips on resume building, interview skills, and effective job searching strategies. Mr. Thomas emphasized the importance of aligning skills and qualifications with job requirements, ensuring a better fit for potential positions. He also shared practical advice on networking and leveraging professional connections to access job opportunities. Overall, the session provided valuable insights and tools to enhance job readiness and secure fulfilling employment prospects.

Excel Training – By Mr. Jomon Joseph

During Mr. Jomon Joseph's Excel Training session, participants gained essential skills for Excel proficiency. Mr. Joseph covered topics like spreadsheet organization, data analysis, and formula usage. He emphasized the importance of Excel in various professional roles and industries. Participants learned to create complex spreadsheets, use advanced functions, and work with data effectively. Mr. Joseph's training enabled attendees to harness Excel's power for improved data management and reporting, making them more competitive in the job market and better equipped for data-driven tasks in their careers.
