

Report on Parents Feedback (Batch – 2021-2023)

The Parents Feedback on the following points:

1. Cost and Value for Money:

Parents discussed the cost of education and they perceive it as a good value for money.

Feedback highlighted the perceived return on investment in terms of the quality of education and career prospects.

2. Student Well-being and Safety:

Safety and well-being of students are paramount.

Positive feedback on measures taken by the college to ensure a secure and supportive environment for students.

3. Innovation and Adaptability:

With the changing business landscape, parents appreciated DCSMAT for being innovative and adaptable in their approach to education.

Feedback highlighted on forward-thinking initiatives and programs implemented by the DCSMAT.

Report on Parents Feedback (Batch – 2020-2022)

The Parents Feedback on the following points:

1. Industry Exposure:

Parents may appreciated the programs that offer exposure to industry through internships, guest lectures, or industry visits.

Feedback highlighted the importance of practical experiences in shaping a well-rounded MBA education.

2. Communication and Updates:

There is an effective communication between the college and parents.

The parents need regular updates on students' progress, timely notifications and the transparency in the decision-making process.

3. Alumni Network:

An active and supportive alumni network is required.

Parents express their satisfaction regarding the college maintaining strong connections with its alumni, providing networking opportunities for students.

Nothing

Warden should learn to speak in English

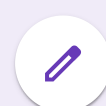

The college and experienced staff allow them to test their abilities until they realize what they're best in.
