## Three Day Management Development Programme (MDP) for Middle level managers of KSRTC

DCSMAT, Vagamon-KSRTC MDP on middle management competency development was conducted 8 to 10th, November 2022, 1 to 03 Feb 23 and 10 to 12 Oct 23. The MDP was for select managers who have the potential for promotion. The school has trained 78 managers so far.

#### One Local Body One Idea – Competency Development Program

Under the aegis of 'One Local Government One Idea' (OLOI)' initiative of Kerala Govt., DCSMAT was selected to train 400 young people to develop managerial acumen to supporting local Govt. initiatives in multiple batches. This is an ongoing program in which 218 were trained so far. The program is anchored by Asst Prof. Jayan. This is consulting assignment in which training for competency development is one part.

## **About DCSMAT**

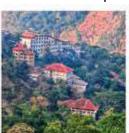

Dc School of Management and Technology is a pioneer in the management education sector in Kerala. DCSMAT is promoted by DC Kizhakemuri Foundation and co-promoted by DC Books.

Taking forward the keen intellectual pursuits of DC, an institution was set up in 2002 which revolutionized management education in Kerala. After establishing a successful MBA program DCSMAT diversified its educational practices with the introduction of undergraduate courses in management.

A degree in B.Com, BCA and BBA, grooms a student for functioning in the highly competitive market while also enriching their years in higher education. DCSMAT also offers B.Arch and B.A Visual Arts(Interior Design). These courses have a uniquely designed curriculum tailored with resources to enhance the creative potential in each student. We have well equipped fully functional campuses in Vagamon and Thiruvananthapuram.

## Twin Campuses

Our focus on enabling the education ecosystem for the students by offering world-class facilities and ambience has resulted in two sprawling campuses in Kerala viz. at Vagamon and Thiruvananthapuram.
